Dated this the 17th December, 2007

J U D G M E N T

The petitioner has applied for revaluation of his papers of the 4th, 5th, 6th and 7th semester of B.Tech degree. Thereafter he has filed this writ petition complaining that there is delay on the part of the University in completing the revaluation sought for by him.

2. On instructions, learned Standing Counsel for the University points out that no application has been received from the petitioner or the college in the prescribed format supported by the mark list and other documents. According to the Standing Counsel, all that they have received from the college is a list of students who have applied for revaluation. It is in view of the defective nature of the application so received by them further action was not taken.

3. Learned counsel for the petitioner has no quarrel that the above submission made is incorrect. If that be so, at least till the defects in the applications are cured and proper application is made

the University cannot be faulted for the stand they have taken.

4. Irrespective of this, the University is still willing to consider the application for revaluation if proper application is received by them. The petitioner, if he is so advised, may submit a proper application for revaluation of the papers, in which event I have no doubt that the University will expedite the process of revaluation.

The writ petition is disposed of as above.

ANTONY DOMINIC
JUDGE
